RE: 2011 Mileage Rates Unchanged

This memo is to communicate that UGA's current standard mileage rate will remain at 51 cents until further notice. The IRS recently announced an increase to the standard automobile mileage rate from 51 cents to 55.5 cents effective July 1, 2011, however, the General Services Administration (GSA) has chosen not to adopt this rate at this time. The Official Code of Georgia Annotated (OCGA) Section 50-19-7 requires the State of Georgia to follow the GSA rates for mileage when State employees are reimbursed for use of a privately owned vehicle on official travel; thus the standard mileage rate will remain at 51 cents until further notice.
