Subject: FACTS cohort beginning January 2015

The Fiscal Administration Certificate Training Series (FACTS), sponsored by Finance and Administration, is a comprehensive training program for faculty and staff with fiscal responsibilities and will provide a structured fiscal training protocol for University personnel.

We are accepting applications for the training series beginning in January 2015. Please go to the FACTS website at <http://www.busfin.uga.edu/facts/>, where you can find more information about the series, course descriptions, as well as an online application. We are finalizing the schedule for the January 2015 cohort and will update the website with the new schedule as soon as it is confirmed.

A new cohort will begin twice a year – every September and January. For each cohort, 30 individuals will be chosen by a selection committee. The cut-off for applications for the January 2015 cohort is September 30, 2014.

Applications can be submitted at any time. Please be aware that any applications received after a cut-off date, as well as any applications not selected for the upcoming cohort, will be considered for future cohorts. You do not need to reapply.

Please direct any questions to Crystal Rogers at cgrogers@uga.edu.
