RE: GSA Per Diem Rate App

This message will also be posted to the Admin Memos List Serv. Please share this information with your faculty and staff.

Per State travel regulations, employees traveling on University business may utilize per diem rates set forth by the U.S. General Services Administration (GSA). GSA has released the following announcement regarding a free per diem rate app for the iPhone and Blackberry platforms:

"Federal travelers and others who use GSA's per diem rates can now look up rates while on the go with just a few taps or clicks, as GSA announces a new per diem rate app for the iPhone and Blackberry platforms. The app is free of charge.

The new app allows travelers to look up per diem reimbursement rates for lodging and meals and incidental rates by location or zip code. Travelers can look up rates for the Federal government fiscal years 2010 and 2011, with 2012 rates available later this summer. Visit GSA's per diem website at <http://www.gsa.gov/portal/content/302273> for more information and download the new app today!"
