Subject: Retirement of e-Payroll system

Attention: Payroll Representatives

With the recent transition of biweekly payrolls to the Kronos MyTime system and the monthly/academic payrolls to payments from personnels, there is no longer a need for campus units to access the e-Payroll system. Therefore, access to the e-Payroll website (<http://www.epayroll.uga.edu/>) will be retired as of October 31.

If you have e-Payroll issues that need to be resolved, please contact Christy Coddington (706-542-6971 or ccodding@uga.edu).
