Dear Business-Serv-L subscribers:

The following administrative memo was posted to the Admin-Memos listserv and other administrative lists today.

TO: Vice Presidents, Deans, Directors, Department Heads and Fiscal Officers
FROM: Holley W. Schramski, Associate Vice President and Controller
SUBJECT: Facilities and Administrative Rates to be applied to University of Georgia and
University of Georgia Research Foundation, Inc. Contract and Grant
Accounts/Proposals

The Department of Health and Human Services (DHHS), acting as the cognizant federal agency under the authority of the Office of Management and Budget (OMB) Circular A-21 has, by negotiated agreement, established new Facilities and Administrative Cost rates for proposals and awards made through the University of Georgia and the University of Georgia Research Foundation, Inc. The rates provided in the attached pdf are also available online at: <http://www.ovpr.uga.edu/osp/frequent-info>. The rates are "pre-determined" and applicable to the areas and locations indicated. The base for application of the rate is Modified Total Direct Cost (MTDC) consisting of salaries and wages, fringe benefits, materials and supplies, services, travel, equipment up to the threshold of \$5,000.00 per item and subcontracts or sub-awards up to \$25,000.00 each (regardless of the period covered by the sub-award).

These newly negotiated rates are effective July 1, 2013, and should be used in lieu of the rates identified on the DHHS rate agreement dated December 23, 2008 and the memorandum distributed to campus dated January 30, 2009. Should you have any questions or need additional information, please contact Chad Cleveland, Associate Controller at cclevela@uga.edu or 706-542-1197.
