

## Update to eTicket and eJV Systems

As a result of recommendations from the Business Services Advisory Group, the eTicket and eJV systems have been updated to allow users with an active UGA MyID to view any transactions and supporting documentation that have posted to the general ledger. This modification provides users with greater access to financial information.

The instructions to view the documentation in each system are located at [http://www.busfin.uga.edu/accounting/Browse\\_Processed\\_Tickets.pdf](http://www.busfin.uga.edu/accounting/Browse_Processed_Tickets.pdf) for the eTicket system and [http://www.busfin.uga.edu/accounting/eJV\\_Search\\_Instructions.pdf](http://www.busfin.uga.edu/accounting/eJV_Search_Instructions.pdf) for the eJV system.
